Attorney Bill Voss is a ninth-generation Texan who serves individuals and business owners around the country, helping them resolve their disputes with the passion his clients deserve. He has been recognized in local and national publications, such as the *Legal News*, *Forbes*, *Newsweek, Inc.*, *Texas Monthly*, *H Texas* and the *Houston Press*. He recently was named a "Rising Star" by his peers in *Super Lawyers*, one of Houston's "Top Lawyers for the People" in *H Texas* and a "Top Attorney in the Country" by *Newsweek*.

Attorney Bill Voss has recruited the nation's top attorneys to work together with expertise in areas of commercial and business litigation, business law, insurance litigation, wrongful death litigation, offshore injuries, catastrophic personal injury litigation, employment litigation, oil and gas law, consumer fraud, rare coin fraud and first-party insurance claims.

Attorney Bill Voss is passionate about the law and helping the proverbial little guy. "I truly enjoy what I do, bringing wrongdoers to justice and helping

clients, especially in those 'gorilla-type' cases." Hard work and tenacity are attributes that helped Voss achieve success not only in trial, but also in life, and these qualities are ones he impresses on the attorneys and staff of The Voss Law Firm. "We have an outstanding track record of success here. We have the resources and experience to handle the largest, most complex cases. Clients and referring attorneys can be assured that we do not back down in the face of adversity. The tougher and bigger the opposition, the better for our law firm; we get completely fired up for a good legal battle. Those are the type of employees that I have assembled here—ones that are going to fight hard for our clients. We wouldn't have it any other way."

The Voss Law Firm, P.C. proudly serves all Texas counties and cities including but not limited to the following: Harris County, Montgomery County, Jefferson County, Houston, The Woodlands, Beaumont, El Paso, San Antonio, Austin, Sugar Land, Dallas, Fort Worth, Orange and Port Arthur, as well as companies and individuals along the Gulf Coast and around the globe. ■
