Founded in 1998 with one Houston location, The May Group, LLC, Insurance Services has grown to five branches in the Houston metropolitan area and two in San Antonio. We pride ourselves in providing our fellow Texans with On Your Side® service at all times.

The May Group is one of the fastest growing insurance agencies in the state. We currently have offices in Houston, Sugar Land, Katy and San Antonio. Each of our offices is staffed with experienced professionals who make customer service their first priority.

Direction of Operations Tom May and the rest of the team at The May Group stand ready to assist you with all of your insurance needs. Our goal is to give you a refreshing change in the consumer insurance experience. We want to be able to serve you however it works for you. Our Web site has extensive information if you want to search on your own, but some questions require personal answers so you can contact us in person, by telephone or fax or by e-mail.

We offer a wide array of insurance, including personal and business as well as farm and ranch insurance. We know everyone has a unique situation, and we can tailor an insurance package to fit your needs.

In addition, The May Group offers free continuing-education courses for realtors to gain a basic understanding of insurance in the residential market. The classes can be scheduled at your convenience and choice of location.

Do you know someone who may need our assistance in protecting his or her family or business? Take a look at our Referral Rewards program through which you can be entered into a monthly gift-card drawing just for referring us to others.

Call or drop by any of our locations to experience The May Group difference. We can provide you with a "no obligation" On Your Side review of your current insurance package as well as discuss your unique needs and goals.
