**I**t is no surprise that more and more consumers are turning to Credit Unions for their banking needs. First Community Credit Union provides a **FIRST-RATE** difference when it comes to banking – you're not just a number here; you're a person.

Founded in Houston in 1954, then Spring Branch Teachers Credit Union, FCCU has a clear passion for helping everyone achieve their financial goals. In 1988, First Community gained a community charter to serve residents of Harris and Fort Bend Counties and has grown to have 16 offices throughout the greater Houston area with over \$870 Million in assets.

First Community understands each person's financial needs are different. In fact, they pride themselves on knowing you personally so they can be on target with your financial goals while providing **FIRST-RATE** service. As a full-service financial institution, FCCU provides services from savings and checking accounts to auto loans, mortgage loans, and more! Not only does FCCU provide deposit and loan products but they have a full service investment firm that is free of charge to account holders. Just one more way, FCCU keeps their members best interest at heart.

In 2011, First Community Credit Union formed a partnership with the Houston Texans and became the Official Credit Union of the Houston Texans. With Exclusive Texans Checking and Texans Debit Cards, First Community cemented their place in the financial industry continuing to grow and become one of the most successful Credit Unions in Houston.

With a big heart for education, First Community worked with the Houston Texans to develop educational programs to encourage students to strive to do their best on state exams. In addition, the Stars in the Classroom program was developed to recognize the hard work and exceptional effort teachers put in each day. FCCU feels it is of the utmost importance to give back to the communities that they serve.

First Community Credit Union invites you and your family to discover why Banking's Better Here! Be treated like the V.I.P. that you are at FCCU. No matter what your financial need is, Think First!®
