

On Mother's Day 1959 in a old high-school auditorium, a small group of people filled with passion to know God and His power met for the very first time. This humble gathering would become one of the largest evangelistic outreaches the world has ever known.

Today, the impact of Lakewood Church is far reaching as Pastor Joel and Victoria use every available outlet to bring the message of hope and inspiration to this generation. Each week, tens of thousands of people from every walk of life gather in the former Compaq Center Basketball Arena for church services while millions more join online from around the world.

In 2004, they began the "Night of Hope" touring events in major cities across the globe and since then, over a million people have attended on four continents. All total, over 500,000 people have given their hearts to Jesus in the Night of Hope events.

In addition to the over 10 million people who watch the television broadcast each week in the U.S. alone, Pastor Joel has over 1.3 million Twitter followers and 2.8 million Facebook fans and ranks third among the top 10 most daily retweeted brands.

There's a new generation rising at Lakewood Church—a generation willing to throw off the limits and believe that with God, all things are possible. Pastor Joel and Victoria are leading this generation with the message of hope that is transforming lives and generations to come.

I believe God has put on our hearts Jeremiah 29:11 as a promise for all of us, "For I know the plans I have for you," declares the Lord, "plans to prosper you and not to harm you, plans to give you hope and a future." God wants to pour out increase on us. Not just for the sake of ourselves or our families, but for neighbors, coworkers and even strangers at the grocery store. God wants us to take His hope and share it with people all around us.

David said, "I have pitched my tent in the land of hope." Come into the land of hope here at Lakewood Church and know that, with God, all things are possible.
