Rice Village Diamonds is a family-owned business with years of experience in providing diamonds and fine jewelry. A store like no other, here customers will discover the most versatile diamond inventory in the city with quality that is simply unmatched. Rice Village Diamonds customers enjoy a collection of jewelry for every taste and every occasion, from diamond earrings and right-hand rings to bridal jewelry and jewelry just for fun.

For years, Rice Village Diamonds has been selling diamonds as a wholesale operation, focusing intensely on quality and great service. Thanks to its luxurious retail location in Houston's Rice Village, the company finally is able to offer its knowledge and exceptional prices directly to the public. With its trademark friendly service and an in-house master jeweler, Rice Village Diamonds can create the jewels of your dreams.

As a second-generation diamond cutter, the store offers diamonds from its own production that are cut to perfection. Rice Village Diamonds is also proud to carry well-known trusted brands, such as Natalie K, Martin Flyer, Hearts by Star, and more recently Forevermark.

Because your new and old jewelry will need maintenance from time to time, Rice Village Diamonds strives to make sure your item is in top condition and looking as brand-new as the day you bought it.
