"Northwoods Catholic School has been an answer to our prayers. When we visited, we felt God's presence immediately. The school offers a loving and safe environment. What sets Northwoods apart from other private schools, is the Holy Spirit and the support from the administrators, teachers, Fathers, Brothers, and Consecrated Women who are at the school daily. Their interaction with the students is priceless to me even though we are not Catholic. Thank you Northwoods!" – Mr. and Mrs. Brian Lewis

"I've found Northwoods is not just a school but a community geared towards a full and healthy development and formation of my child. Just being around the school you see the goodness and want to be a part of that goodness especially when it's ultimately for the foundation of your child's future. It truly is an investment which bears great fruits." – Ms. Raquel Varela
